

MAYOR'S COMMUNITY WEEKEND

WEST MIDLANDS
COMBINED AUTHORITY

BIG
LOTTERY
FUND

NATIONAL
LOTTERY FUNDED

We all just want to have fun....

And that's just what the Mayors Community weekend is about. We want to encourage communities to get out of their homes and come together, taking part in an event on Saturday 30 June and Sunday 1 July 2018. Plus we can even help you get £500 towards organizing it.

So what could the event be?

The event can be really simple and encourage you to get together - here are some suggestions:

- Picnic in the park
- Community football match - kids v adults
- Tea party for the elderly
- Spruce up the local allotments
- School Fete
- BBQ in the park
- Brighten up the community - make your village/town pretty again by planting bright flowers
- Mini party in the park - encourage local groups to get together
- Village sports day

Whatever the event, the £500 could be used towards materials such as paint and flowers or simply providing refreshments for those who have turned up - it couldn't be easier.

So register your interest now at wmca.org.uk/mcw
