WMCA Strategic Economic Plan (SEP) Technical Appendices	Economy	Places	Autumn 2015-2016	https://www.wmca.org.uk/w hat-we-do/strategy	These underpin the WMCA's strategy and are the detailed foundations of the SEP, in terms of both quantitative and qualitative analysis/research. Each appendix is made available online, they include: vision setting (economic modelling), fiscal impact, sector analysis/definition, WMCA Performance Management Framework, and skills analysis
WMCA State of the Region 2018	Economy	All	29/08/2018	https://www.wmca.org.uk/m edia/2435/state-of-the- region-2018.pdf	This summary, and the technical report that sits behind it, provide a consistent reference point back to the headline goals set out in the WMCA Strategic Economic Plan (SEP), using the performance indicators it developed to ensure we are pursuing economic success in balanced economic and social terms that feel real to the people living and working in the region.
WMCA Mental Health Commission Report/Action Plan: 'Thrive West Midlands'	Health and wellbeing	People	January 2017	https://www.wmca.org.uk/m edia/1420/wmca-mental- health-commission-thrive-full- doc.pdf	Chaired by Norman Lamb MP and working in partnership with a wide range of organisations, the Commission sets out how the region will seek to reduce the impact of mental ill health. The WMCA's ambition within this is to build happy, thriving communities and to support those who experience mental ill health. A Concordat for Action statement is included, demonstrating the commitment of key organisations from across the WM to improving the mental health and wellbeing of people within our region. It's committed that "we will work together to improve mental health", "we will ensure services meet the people with mental ill health", and "we will work together to develop and deliver the action plan's actions."
WMCA Leadership Commission	Leadership	People	2018	https://www.wmca.org.uk/m edia/2218/leadership- diversity-in-the-west- midlands002.pdf	A wide-ranging academic piece of work has taken place to scrutinise and improve diversity in the leadership of the region, recommending a number of actions. The Leadership Commission makes a number of recommendations for the WMCA and its partner organisations under five key themes: Inclusive leadership to drive inclusive growth; Working in partnership with business to develop inclusive leadership; A step change in recruitment and HR development; Combatting the evaluation and learning deficit; A route map for the next generation.
Greater Birmingham Life Sciences Commission	Life Sciences & Healthcare	All	July 2015	https://gbslep.co.uk/resource s/reports/greater- birmingham-life-sciences- commission	The independent Greater Birmingham Life Sciences Commission published The Silk Report in 2015. Chaired by Birmingham businessman Graham Silk, who is also co-founder of the Cure Leukaemia charity and Patients4Data, the Commission has looked at how Greater Birmingham can draw on its particular strengths to grow the life sciences sector for the benefit of patients and the economy.
Business Environment in the WMCA Region	Productivity	Business environment	14/06/2018	https://www.wmca.org.uk/m edia/2233/business- environment.pdf	The aim of this briefing note is to provide an overview of the key headline metrics on business dynamism in the region, benchmark them against other regions and the UK, and set out some recommendations. The paper finds a clear connection between business dynamism and growth in productivity in the WMCA, and that there are challenges to be addresses within the business environment, particularly around the growth of start- ups and established businesses.
Business Innovation, Diffusion and Productivity in the West Midlands	Productivity	Ideas	14/06/2018	https://www.wmca.org.uk/m edia/2229/business- innovation.pdf	This report reviews the data and literature on innovation measures across the 3-LEP areas, finding that innovation in LEP areas across the West Midlands lags that in the best performing English LEPs. Recommendations to reverse this include boosting levels of new-to-the-firm innovation activity and increasing B2B and U2B collaboration.
